

SOLON SPOTLIGHT

Solon Spotlights can be found at www.solonchamber.com/spotlight

Thrive provides peer support services to individuals in recovery from substance use and/or mental health through lived experience. Thrive hires certified peer supporters that assist people newly in recovery on their journey to long term recovery in the communities we serve as well in 23 hospitals statewide.

"It has been very beneficial for Thrive to be a part of the Solon Chamber. Connecting with other individuals & organizations in the area only sets us up for growth. The team at the Solon Chamber is friendly, efficient, and communicating regularly with members, which makes us feel like a valued part of the community." - *Tarah King, PR & Marketing Manager, Thrive Peer Support*
